Morphic Field and Morphic Resonance. by Yolanda Zigarmi Martin . Even though 'morphic' is an ancient Greek word (meaning form), the term 'morphic field' is a new one, coined by biologist and writer Rupert Sheldrake. (www.sheldrake.org ) It is through Sheldrake's research and writings that morphic field resonance has gained notoriety and acceptance in many related fields of science ...

Shortly after this baby elephant was born he was tragically cast aside by his herd. Small and young without anyone to fend for him, things looked bleak for the adorable elephant calf. In the wild, elephants thrive in group situations, and being alone can be extremely dangerous to the species' young. But something completely unexpected would intervene and give the orphaned elephant new ...

Barry Foster Newman (born November 7, 1938) is an American actor of stage, screen and television known for his portrayal of Kowalski in Vanishing Point, and for his title role in the 1970s television series Petrocelli. He has been nominated for Golden Globe and Emmy awards.

#### **Barry Newman - Wikipedia**

Last chance for Animals is a national, non-profit organization dedicated to eliminating animal exploitation through education, investigations, legislation, and media attention. The organization believes that animals are highly sentient creatures who exist for their own reasons independent of their service to humans; they should thus not be made to suffer for the latter.
