The Young Unicorns was a little bit of a disappointment. I love The Austin Family Chronicles; love Vicky's knowledgeable insights, all the chemistry between the characters, the different settings and magic yet realistic feeling of that the writing conveys. But The Young Unicorns just didn't quite hook me the way the other books in the series do.

The Young Unicorns is the third book about the Austin family. This book gets a little bit more fantastical, but L'Engle was still trying to remain more or less within the confines of science fiction rather than fantasy (well, I guess Wrinkle could be considered SF, but Planet - which is my favorite - has got to be fantasy, hasn't it?

Series notes. The Young Unicorns is unusual among the Austin family series of books in that it is written from a third-person omniscient point of view and does not have Vicky Austin as its central character. Vicky is the first person protagonist and narrator of the first two novels in the series, Meet the Austins and The Moon by Night,...
