I was completely new to Romance novels infact i preferred darker themed graphic novels until i read "The Devils Web" a month back. This book changed lots of things for me and unbelievably i have been reading the same book multiple times now sometimes reading and re-reading the pages as if i can find some new meaning to the interactions and why the main character behaves in a certain way.

The value of Yogananda's Autobiography is greatly enhanced by the fact that it is one of the few books in English about the wise men of India which has been written, not by a journalist or foreigner, but by one of their own race and training—in short, a book about yogis by a yogi. As an eyewitness recountal of the extraordinary lives and powers of modern Hindu saints, the book has ...

Inside the Story. I went through three outlines for this book before I found a plot and premise that I felt worked. The story required Anthony's father to have died about ten years before the book began, but in The Duke and I, which was completely edited (but not yet published), his father had died two years earlier. While doing the final proofread of The Duke and I, I had to go back and make ...

The next year, Alan Ladd was the black knight in the film of the same name. The story bore little relationship to Arthur, but at least some of it was filmed at Castell Coch, a real-life (if nineteenth century!) castle in South Wales, home of the Silures tribe and a possible haunt of Arthur 1,500 years earlier.
