Guiding Eyes stands out in its commitment to collecting lifetime health and temperament data on a majority of Guiding Eyes dogs. In addition to our veterinary staff, we have remarkable support from over 70% of all dog owners; they reply to our health surveys and provide us with vital data every 2 years for the lifetime of their dogs.

Journey of a Guiding Eyes Dog - Guiding Eyes for the Blind

Your mom is in poor health and you spend extra time at her apartment taking care of her. While getting her out of bed and into her chair one day, she thanks you for all your help. Then she says that she needs to tell you a story about her past, one that you don't know, and one that will change everything.

Becoming a new mother is considered one of life's greatest gifts. Having a sweet bundle of joy to call your own is something that many women dream of. New motherhood is certainly filled with joyous moments, from seeing the baby's first smile, hearing their first laugh, witnessing their first steps, and of course the best [...]

"No Excuses" mom Maria Kang, 5 years after the ...

Your battle with food is actually a battle between two systems in your brain — survival impulses versus rational control. Even the smallest stressors can kick your survival impulse into high gear, making it feel impossible to say no to that bowl of M&M's in the office.. Research shows that it's possible to interrupt and modify brain patterns, strengthening rational control and reducing ...
