Activities for toddlers are the number one hardest thing for me to come up with to do. They're a hard age because they often want to put stuff in their mouths, as well as not understanding direction or having the attention span for most activities. We have done quite a few though (both Henry and ...

Lovely photos . The setert lights can cause what they call sky glow some times when taking photos of the night sky's . If your camera is an SLR it should pick up the colour of the sky that you see . I use a setting of F stop 6.3 and a shutter speed of 1/125 sec and a ISO of 400 with a 55-300mm lens .I have a Nikon D3100 and this is what I take the pinkish orangey sky's with .
