The Niv Topical Study Bible

This edition combines the renowned Scofield notes and reference system with the New International Version (1984 ed.), one of the most popular modern Bible translations. But that's not all: The fruit of Dr. C. I. Scofield's decades of reflection upon the Word of God have been augmented (not revised) to make the ideas underlying the Scofield Study Bible's annotations clearer to modern readers. An ...

Question: "What is deductive Bible study?" Answer: A "deductive" method of studying the Bible involves picking a certain topic and then going through the Bible and finding passages that support the topic. This is related to the "topical approach" to Bible study. Another form of Bible study, in contrast to the deductive method, is the "inductive" method.
