One of the central tenets of science is to define a problem to be studied with as much clarity as possible, and the key to clear communication is calling things what they really are. Unfortunately, both the American media and public intellectuals have failed to be honest in identifying what everyone in Europe knows is the primary source of terrorism in the world today: Islam.

Spanish Enlightenment literature is the literature of Spain written during the Age of Enlightenment.. During the 18th century a new spirit was born (it is in essence a continuation of the Renaissance) which swept away the older values of the Baroque and which receives the name of "Enlightenment". This movement laid its foundations in a critical spirit, in the predominance of reason and ...
