The invisible hand describes the unintended social benefits of an individual's self-interested actions. Adam Smith first introduced the concept in The Theory of Moral Sentiments, written in 1759, invoking it in reference to income distribution. In this work, however, the idea of the market is not discussed, and the word "capitalism" is never used. By the time he wrote The Wealth of Nations in ...

Invisible Man is a novel by Ralph Ellison, published by Random House in 1952. It addresses many of the social and intellectual issues facing African Americans early in the twentieth century, including black nationalism, the relationship between black identity and Marxism, and the reformist racial policies of Booker T. Washington, as well as issues of individuality and personal identity.
