Cryptomnesia occurs when a forgotten memory returns without it being recognized as such by the subject, who believes it is something new and original. It is a memory bias whereby a person may falsely recall generating a thought, an idea, a tune, or a joke, not deliberately engaging in plagiarism but rather experiencing a memory as if it were a new inspiration.

The boy stopped playing after his Mom and Dad chained the iron man to the Kingdom's heart. The boy used to run alone and brave through the welt within the walls, and even ranged as far as the borders of the wood. He tossed the ball his mother gave him into the sky, gold against blue with the sun behind, and laughing, caught it again.
