The Sexual History Of London

India played a significant role in the history of sex, from writing one of the first literature that treated sexual intercourse as a science, to in modern times being the origin of the philosophical focus of new-age groups' attitudes on sex. It may be argued that India pioneered the use of sexual education through art and literature. As in many societies, there was a difference in sexual ...

History of human sexuality - Wikipedia

The History of Sexuality (French: L'Histoire de la sexualité) is a four-volume study of sexuality in the western world by the French historian and philosopher Michel Foucault, in which the author examines the emergence of "sexuality" as a discursive object and separate sphere of life and argues that the notion that every individual has a sexuality is a relatively recent development in Western ...
