Greed has always being part of human nature, just like lust, anger, compassion or any other drive and emotion. But what makes greed different today is the deification of it.

Greed: The Ultimate Addiction | Psychology Today

Green Party gains show Northern Ireland voters want to step away from 'them and us politics' Clare Bailey described her party's gains across Northern Ireland as 'phenomenal'.

Green Party gains show Northern Ireland voters want to ...

Greed, or avarice, is an inordinate or insatiable longing for material gain, be it food, money, status, or power.. As a secular psychological concept, greed is an inordinate desire to acquire or possess more than one needs. The degree of inordinance is related to the inability to control the reformulation of "wants" once desired "needs" are eliminated.
