Ocean Safety For Beginners Ocean Safety is the most important thing in surfing. Surfing is not a couch potato sport—it's very demanding and takes place in an ever-changing, often unpredictable environment. With the proper knowledge and experience, surfing can be very safe. In fact, surfers are often the ones that save hapless swimmers when there aren't lifeguards around.

Editorial Reviews. Formerly a cop and now a lawyer, Stone Barrington is plummeting to the bottom of the ocean with an anchor chained to his waist at the start of Woods's 17th novel, a smoothly presented if slight thriller that ambles pleasurably through a kidnapping plot involving Barrington's ex-lover (improbably named Arrington).

One thing traveling has taught me is that the Lord really knew what he was doing when he had me be born in this time. I kept staring out the window at the scenery as we drove across South Dakota and trying to imagine doing it by covered wagon, or living in a log cabin without central heat and air, or being a pioneer woman canning food for the winter.
