This is NOT a psychopath. Many people have traits on a low scale, but a real psychopath will love to see you in pain – press false charges against you, sleep with your sister, have a child with you and leave, constantly lie and cheat in everything – you'll notice a lifetime history of this with the person.

Thanks for your support. I've been on & off twitter all day watching him have another meltdown about my and others criticisms of him, I don't have the energy to go through his twitter and make screencaps of all the vile things he's said today (to women, most of whom are survivors, at least one of whom is a woman of colour) and I don't anticipate having much time for internet stuff ...

Here are eight of my favorite songs that I truly believe could speak to absolutely anyone and touch them in one way or another. Country has this way of making it incredibly easy to relate to the words being sung, and it is honestly hard to find a song that you don't trace back to a certain time

in your life or moments that meant a lot to you.
