British Jews (often referred to collectively as British Jewry or Anglo-Jewry) are British citizens who are ethnically and/or religiously Jewish. The number of people identifying as Jews in England and Wales rose slightly between 2001 and 2011, with the growth being due to the high birth rate of the ultra-Orthodox community.

Sub-Roman Britain refers to the period of Late Antiquity in Great Britain, covering the end of Roman rule in the late 4th and early 5th centuries, and its aftermath into the 6th century. The term "sub-Roman" was originally used to describe archaeological remains such as potsherds found in sites of the 5th and 6th centuries, and hinted at the decay of locally-made wares from a previous higher ...
