The modern study of Japanese aesthetics only started a little over two hundred years ago in the West. The Japanese aesthetic is a set of ancient ideals that include wabi (transient and stark beauty), sabi (the beauty of natural patina and aging), and yūgen (profound grace and subtlety). These ideals, and others, underpin much of Japanese cultural and aesthetic norms on what is considered ...

BEAUTY AND UGLINESS. Beauty is a vital and central element of human experience. It is associated with pleasure, which influences personal choices and cultural developments. Poets praise it, artists strive to capture it in their works, moralists warn against its deceiving influence, scientists seek to uncover its secrets, and philosophers reflect on its illusive nature.

What do I mean when I say atheism is "common sense?" I do not mean that religious people are

stupid. Believers can be doctors, lawyers, scientists, engineers, philosophers, entrepreneurs – some smart folks. Usually when someone says, “It’s common sense!”

What Do You Mean, “Common Sense” Atheism?

Every time you smile at someone, it is an action of love, a gift to that person, a beautiful thing. Mother Teresa Click to tweet. Whereas the beautiful is limited, the sublime is limitless, so that the mind in the presence of the sublime, attempting to imagine what it cannot, has pain in the failure but pleasure in contemplating the immensity of the attempt.
