The Modern Girl's Guide to Life is a collection of all the helpful tips and secrets that get passed on from generation to generation, but many of us have somehow missed. It's full of practical, definitive advice on the basics -- the day-to-day necessities like finding a bra that fits, balancing a checkbook, making a decent cup of coffee, and hemming a pair of pants.

I already own The Modern Girl's Guide to Life and absolutely love that book, so I thought this one was a must-have. It is full of lots of great tips on getting out of sticky situations, but didn't seem as complete a guide as I had hoped. If you can purchase this at a discount like I did, it would definitely be worth it.
