This the body economic why austerity kills david stuckler, as one of the most dynamic sellers here will categorically be among the best options to review.*

### **The Body Economic Why Austerity**

Austerity is a political-economic term referring to policies that aim to reduce government budget deficits through spending cuts, tax increases, or a combination of both. Austerity measures are used by governments that find it difficult to pay their debts. The measures are meant to reduce the budget deficit by bringing government revenues closer to expenditures, which is assumed to make the ...
