and as the work progressed the author was accustomed to inform his neighbors, who would gladly assemble to hear each new installment read. In this small frontier settlement, where books were few and mail facilities very limited, each additional portion of the romance was awaited with the same interest with which the reader of the modern magazine looks for the number that will contain a fresh ...

A low-threshold, high-level introduction to Vermeer based on 140 large and lavish details from his work. In this highly original approach, each detail is provided with commentary, covering subject matter, technique and modes of picture-making, the origins of the objects Vermeer paints, comparisons of motifs and scholarly discussion concerning his work.

Detective fiction is a subgenre of crime fiction and mystery fiction in which an investigator or a detective—either professional, amateur or retired—investigates a crime, often murder. The detective genre began around the same time as speculative fiction and other genre fiction in the mid-nineteenth century and has remained extremely popular, particularly in novels.
