The book presents the reader with an economic argument, beginning with a brief ...

### **[PDF] Download → The End of Growth: Adapting to Our New ...**

The End of Growth: Adapting to Our New Economic Reality. The End of Growth describes what policy makers, communities, and families can do to build a new economy that operates within Earth's budget of energy and resources. We can thrive during the transition if we set goals that promote human and environmental well-being, rather than continuing to pursue the now-unattainable prize of ever-expanding GDP.
