Joseph Tainter, author of the book The Collapse of Complex societies, and featured in Leonardo DiCaprio's film The Eleventh Hour, details the factors that led to the collapse of past civilizations ...

Collapse of Complex Societies by Dr. Joseph Tainter

The Collapse of Complex Societies (review) As the right public policy to the jet was longer runways, better air-traffic control, and better training for pilots, and not the discouragement of rapid travel, so the right public policy response to financial innovation is to assure a safe framework so that the benefits can be realized, not to stifle the change.

The Collapse of Complex Societies (review) - Resilience

The Collapse of Complex Societies. The answer he arrived at was that they hadn't collapsed despite their cultural sophistication, they'd collapsed because of it. Subject to violent compression, Tainter's story goes like this: a group of people, through a combination of social organization and environmental luck,...

The Collapse of Complex Societies by Joseph Tainter – pdf. It discusses the nature of complex societies and why they fail. The essentials are: Four concepts discussed to this point can lead to an understanding of why complex societies collapse. These concepts are: 1. human societies are problem-solving organizations;

Classical Values » The Collapse Of Complex Societies

this book is a really excellent read. in it the author makes the case that problem-solving is at the core of complex societies, and that the reason why complex societies collapse is because of bad decision making, resulting from humans' inability to comprehend too much complexity.

Collapse of Complex Societies by Joseph A. Tainter

Biography. His arguably best-known work, *The Collapse of Complex Societies* (1988), examines the collapse of Maya and Chacoan civilizations, and of the Western Roman Empire, in terms of network theory, energy economics and complexity theory. Tainter argues that sustainability or collapse of societies follow from the success or failure...

In the video below anthropologist and historian Dr. Joseph Tainter, author of the classic study *The Collapse of Complex Societies* (1988), details some of the factors which led to the collapse of previous human civilizations.

Collapse of Complex Societies | synthetic zero

Complex societies collapse because, when some stress comes, those societies have become too inflexible to respond. In retrospect, this can seem mystifying. Why didn't these societies just re-tool in less complex ways? The answer Tainter gives is the simplest one: When societies fail to respond to reduced circumstances through orderly ...
