### **Racial segregation - Wikipedia**

Racial segregation in the United States is the separation of so-called racial groups in aspects of daily life. For most of United States history, segregation maintained the separation of African Americans from whites. The term also applies to the segregation of racial groups from one (another) especially the segregation of people of color from whites.

In my The White Racial Frame book I not only discuss this age-old white racial frame, which accents both white virtue material and anti-others material, but also the important counter frames to this dominant white frame that people of color have developed. In the U.S. case African Americans have developed an especially strong counter frame over centuries, perhaps because they have had the ...
