## **The Elements Of Journalism What**

Journalism ethics and standards comprise principles of ethics and of good practice as applicable to the specific challenges faced by journalists. This subset of media ethics is widely known to journalists as their professional "code of ethics" or the "canons of journalism". The basic codes and canons commonly appear in statements drafted by both professional journalism associations and ...

Narrative journalism, also referred to as literary journalism, is defined as creative nonfiction that contains accurate, well-researched information. It is related to immersion journalism, where a writer follows a subject or theme for a long period of time (weeks or months) and details an individual's experiences from a deeply personal perspective.

Being impartial means not being prejudiced towards or against any particular side, and to be fair and treat all sides equally. Journalists have their own views, and yet, to deliver comprehensive and authoritative coverage of news and current affairs, they must rise above their own personal perspectives.
