The Autobiography of Benjamin Franklin is the traditional name for the unfinished record of his own life written by Benjamin Franklin from 1771 to 1790; however, Franklin himself appears to have called the work his Memoirs. Although it had a tortuous publication history after Franklin's death, this work has become one of the most famous and influential examples of an autobiography ever written.

The value of Yogananda's Autobiography is greatly enhanced by the fact that it is one of the few books in English about the wise men of India which has been written, not by a journalist or foreigner, but by one of their own race and training—in short, a book about yogis by a yogi. As an eyewitness recountal of the extraordinary lives and powers of modern Hindu saints, the book has ...

The first modern prison opened in London in 1816 - the new Millbank prison. It had separate cells for 860 prisoners and proved satisfactory, to the authorities at least, thus commencing a programme of prison building to deal with the rapid increase in prisoner numbers occasioned by the ending of capital punishment for many crimes and a steady reduction in the use of transportation.
