The Dark Side Of Disney

Dark Side of the Rainbow – also known as Dark Side of Oz or The Wizard of Floyd – refers to the pairing of the 1973 Pink Floyd album The Dark Side of the Moon with the visual portion of the 1939 film The Wizard of Oz. This produces moments where the film and the album appear to correspond with each other. The title of the music video mashup-like experience comes from a combination of the ...

The Force is a metaphysical and ubiquitous power in the fictional Star Wars universe. It is wielded by "Force-sensitive" characters throughout the franchise: heroes like the Jedi use the "light side" while seeking to become one with the Force, while the Sith and other villains exploit the "dark side" and have always tried to bend it towards their will. The Force has been compared to aspects of ...

As I have presented through the years, hundreds of thousands of children are kidnapped every single year, most times with the help of the highest religious institutions such as the Vatican, and sacrificed in Satanic rituals dedicated to Moloch. The reason why we have human sacrifices all over the planet, in some of the most prevalent cultures, is because the Anunnaki required them.
