What does the pancreas do? Kids will find out as they complete this cool worksheet. They'll check out the diagram, read a brief paragraph, and put their reading comprehension skills to the test as they fill in the blanks below.

### **What Does the Pancreas Do? | Worksheet | Education.com**

MRI versus CT. CT will depict most pancreatic lesions, but is sometimes unable to depict the cystic component. MR with heavily weighted T2WI and MRCP will better demonstrate the cystic nature and the internal structure of the cyst and has the advantage of demonstrating the relationship of the cyst to the pancreatic duct as is seen in IPMN.
