This article gives a list of captive orcas, or killer whales, large predatory cetacians that were first captured live and displayed in exhibitions in the 1960s, or were subsequently born in zoological facilities. They soon became popular attractions at public aquariums and aquatic theme parks due to their intelligence, trainability, striking appearance, playfulness in captivity and sheer size.

We Animals is an ambitious project which documents, through photography, animals in the human environment. The project began in 1998 when I was becoming more aware of the abuses animals suffer at the hands of humans. The title is intentionally broad in subject matter, interpretation and implication. The premise of the project is that humans are as much animal as the sentient beings we use for ...
