I have read the entire Dark Tower series except for The Wind Through the Keyhole. I know it's a connection between books 4 and 5, and mostly a flashback of Roland's younger years, but I'd like to know if the people who have read it would recommend reading it between those books, or reading it after book 7.

Entering the Dark World can be distressingly easy: drive to a little old town, walk into a Haunted Castle, activate a strange device, Swirly Energy Thingy, crawl through a hole in your bathroom or go into a Convenient Coma near a psychically charged place. The last one tends to be freakiest because whatever Nightmare Fuel the darkness throws at you will most likely be reinforced by your own mind.
