What time do Japanese kids start and finish school? Starting and finishing times vary from school to school, but most kids have to be at school for registration by 8:30 a.m., and the last class of the day usually finishes around 3:00 p.m. However, this is not the end of the school day for most kids, who stay at school to take part in sport and other club activities.

We have created web research tasks to provide internet-based extension work to go with the A or B lessons of each unit of Life. Each web research task follows the general theme of the unit and encourages students to practise the language of the unit. These research tasks have been designed for use with pairs or groups of students, but will also work with students working alone.

Community is good for both people and business. Unfortunately, many apartment residents feel completely disconnected from their neighbors. Apartment Life helps apartment owners care for residents by connecting them in relationships. This, in turn, helps improve the community's financial performance through online reputation, resident satisfaction, and resident retention.
