The Battle of Blair Mountain was the largest labor uprising in United States history and one of the largest organized armed uprisings since the American Civil War. The conflict occurred in Logan County, West Virginia, as part of the Coal Wars, a series of early-20th-century labor disputes in Appalachia. Up to 100 people were killed, and many more arrested.

"Our struggle will not be over until every American is able to find his or her own place in our society, limited only by his or her own ability and his or her own dream." In 1995, when retired General Colin Powell took himself out of the running for President of the United States, he was leading every candidate in every poll. At the time, his autobiography, My American Journey, was a national ...

A growing number of cities, including Seattle, are examining the costs and benefits of implementing citywide minimum wage laws. Citywide minimum wage laws offer local governments a powerful tool for helping low-income workers and families in their communities. Such measures also have significant impact on businesses and how they operate.
