The Dictators Learning Curve Inside

A dictatorship is an authoritarian form of government, characterized by a single leader or group of leaders with either no party or a weak party, little mass mobilization, and limited political pluralism. According to other definitions, democracies are regimes in which "those who govern are selected through contested elections"; therefore dictatorships are "not democracies".

In this issue of 580 Split, we invited writing and visual art that reflects on the breaches of our current political climate, the ways these breaches have scarred and marked us, and moments that break through the surface of the status quo to create something new. Though these are dangerous times for the vulnerable and marginalized among us, we were interested in writing that explores the ...

The What the Hell is it Actually Called Blue Box. The cerebrum is the whole big top/outside part of the brain but it also technically includes some of the internal parts too.. Cortex means "bark" in Latin and is the word used for the outer layer of many organs, not just the brain. The outside of the cerebellum is the cerebellar cortex. And the outside of the cerebrum is the cerebral cortex.
