The Creative Commons proposed in 2010 the Public Domain Mark (PDM) as symbol to indicate that a work is free of known copyright restrictions and therefore in the public domain. The public domain mark is analogous to the copyright symbol, which acts as copyright notice. The Europeana databases use it, and for instance on the Wikimedia Commons in February 2016 2.9 million works (~10% of all works ...

Enclosure (sometimes inclosure) was the legal process in England of consolidating (enclosing) small landholdings into larger farms since the 13th century. Once enclosed, use of the land became restricted to the owner, and it ceased to be common land for communal use. In England and Wales the term is also used for the process that ended the ancient system of arable farming in open fields.
