The Plant is an unfinished serial novel by American writer Stephen King, published in 1982-1985 privately and in 2000 as a commercial e-book.. The story, told in epistolary format consisting entirely of letters, memos and correspondence, is about an editor in a paperback publishing house who gets a manuscript from what appears to be a crackpot. The manuscript is about magic, but it also ...

An electronic book, also known as an e-book or eBook, is a book publication made available in digital form, consisting of text, images, or both, readable on the flat-panel display of computers or other electronic devices. Although sometimes defined as "an electronic version of a printed book", some e-books exist without a printed equivalent. E-books can be read on dedicated e-reader devices ...
