Camel are an English progressive rock band formed in Guildford, Surrey, in 1971. Led by founder-member guitarist Andrew Latimer, they have produced fourteen original studio albums and fourteen singles, plus numerous live albums and DVDs. Predominantly instrumental, with melody paramount, Camel's music combines elements from rock, pop, jazz, blues, folk, classical and electronica.

The United States Camel Corps was a mid-19th-century experiment by the United States Army in using camels as pack animals in the Southwestern United States. While the camels proved to be hardy and well suited to travel through the region, the Army declined to adopt them for military use. The Civil War interfered with the experiment and it was eventually abandoned; the animals were sold at auction.
