The first step in obtaining special education services is for your child to be evaluated. The evaluation can be done when your child is first suspected of having a disability (pre-placement evaluation) or when your child's level of functioning changes in one or more areas (re-evaluation). There are two ways in which a child can be evaluated under the Individuals with Disabilities Education Act:

CHILD Montessori School is a non-profit private school founded upon the Montessori approach to childhood development. We recognize that small children are feeling and thinking persons in the most dramatic stages of emotional and cognitive development—during the early years, from birth to the age of eight, the adult-to-come is shaped within the child.

"Society's Child", or "Baby I've Been Thinking", was a song written, composed, and recorded in 1965 by Janis Ian. Its lyrics were centered on the then-taboo subject of interracial romance. Ian was 13 years of age when she was motivated to write and compose the song, and she completed it when she was 14.
