While you're biting the heads off your chocolate bunnies this weekend, you might wonder how rabbits became so central to our Easter celebrations. It's tempting to assume that because there's no biblical basis for the Easter Bunny, rabbits and hares have no religious significance – but that's just not the case.

Was the Indian god Krishna's mother a virgin? Were there other gods and men born of virgins? A recurring theme in ancient religion revolves around the manner of the sun god's birth, as well as the chastity of his mother. In a number of instances the sun god is perceived as being born of the inviolable dawn, the virgin moon or earth, or the constellation of Virgo.
