Ella Enchanted is a Newbery Honor book written by Gail Carson Levine and published in 1997. The story is a retelling of Cinderella featuring various mythical creatures including fairies, elves, ogres, gnomes, and giants. In 2006, Levine went on to write Fairest, a retelling of the story of Snow White, set in the same world as Ella Enchanted. In 2018, Levine published Ogre Enchanted, a prequel to ...

Eventually I'll do a roundup of this incredible series, but for now, I just finished the third one, so here we go! Redwine does it again in this retelling of Mark Twain's The Prince and the Pauper. For the past ten years, Javan, the prince of Akram, has been at a boarding school trying to be the best in class to fulfill his dying mother's last wish.

The annotations for the Cinderella fairy tale are below. Sources have been cited in parenthetical references, but I have not linked them directly to their full citations which appear on the Cinderella Bibliography page. I have provided links back to the Annotated Cinderella to facilitate referencing between the notes and the tale.

I've written before about how princesses inspire me during daily life, but I also owe a huge debt of gratitude to these stories when it comes to my creative endeavors. Fairy tales have been evolving for hundreds of years. The solidarity between the storytellers who pass these tales along to new generations so we can retell them in unique ways is incredibly motivating to me as an aspiring writer.

If there's one thing that makes the current pop charts an exciting place to be it's the return of pop's great auteurs. The renegades who can make a delicious pop single out of the most far flung hooks and long dead genre's, we need to hang on to the likes of Pharrell Williams, Kanye West, and our current topic Bruno Mars, for as long as we can.
