The Conquest of Cool: Business Culture, Counterculture, and the Rise of Hip Consumerism. While the youth counterculture remains the most evocative and best-remembered symbol of the cultural ferment of the 1960s, the revolution that shook American business during those boom years has gone largely unremarked.

The Conquest of Cool: Business Culture, Counterculture ...

The Conquest of Cool. In the late 1950s and early 1960s, leaders of the advertising and menswear businesses developed a critique of their own industries, of over-organization and creative dullness, that had much in common with the critique of mass society which gave rise to the counterculture.
