Q: Tell me where you'd find the information for the recommended tyre pressures for this car and how tyre pressures should be checked. A: Tell the examiner that you would check and adjust all the tyres including the spare tyre when they're cold with an air pressure guage. Don't forget to refit the valve caps after. Tyre pressure information can be found in the car manual or sometimes there's ...

Hey wanted to reach out to you since you're the Vegebul doc expert! I'm looking for a fic I read a few months ago, where a mistake in the wording of a wish brings back four versions of Vegeta to the post-Namek timeline.

Vegebul Fanfic Recs - Tumblr

I've had the privilege to be able to drive regularly 2 turbo diesel Mitsubishi tritons, the earlier 2.8 and the 3.2. both were and have been very reliable with no real mechanical problems.(apart from the clock spring going on the latest 3.2 airbag) Recently while getting the 3.2 serviced, Two

mechanics mentioned that don't buy a common rail diesel as they're all starting to have fuel pump ...

common rail diesels, are they all theyre cracked up to be ...

Regardless of what the previous owner told you, change the oil, oil filters, air filters, and fuel filters. I would also drain the air tanks if it has them, check the tire pressures, and check every single light to see if it works.

Narcolepsy is a long-term neurological disorder that involves a decreased ability to regulate sleep-wake cycles. Symptoms include periods of excessive daytime sleepiness that usually last from seconds to minutes and may occur at any time. About 70% of those affected also experience episodes of sudden loss of muscle strength, known as cataplexy. These experiences can be brought on by strong ...
