Connections explores an Alternative View of Change (the subtitle of the series) that rejects the conventional linear and teleological view of historical progress. Burke contends that one cannot consider the development of any particular piece of the modern world in isolation. Rather, the entire gestalt of the modern world is the result of a web of interconnected events, each one consisting of ...

Same, had a trial left over from the F1 race last weekend. It was complete garbage. Low bitrate 720p at best, absolutely shocking audio quality and they appear to use the 25fps PAL-region converted version so everyone sounds like they've taken a shot of helium before each scene and pretty much every device it supports judders like crazy because they output at 60hz not 50.
