Time and Again is a 1970 illustrated novel by American writer Jack Finney. The many illustrations in the book are real, though, as explained in an endnote, not all are from the 1882 period in which the actions of the book take place.

Time and Again (novel) - Wikipedia

"Time is the most mysterious of the four usual dimensions of our space-time continuum. "It's not so much that there's something strange about time," said Dr. John A. Wheeler, the famous Princeton cosmologist, "the thing that's strange is what's going on inside time. We will first understand how simple the universe is when we recognize how strange time is."
