The Price of Motherhood: An Interview with Ann Crittenden. Moms Pay High Cost for Caring In a new book, The Price of Motherhood: Why the Most Important Job in the World is Still the Least Valued, author and former New York Times economics reporter Ann Crittenden looks at how a lack of social supports for American moms forces them to make bitter choices, while women in other industrialized ...

The Price of Motherhood: An Interview with Ann Crittenden ...

The price of motherhood still isn't well-understood or accepted. I was a hands-on mom and entered the workforce post-children, and I make a measly salary compared with what I would have by now had I spent more time in school (I was on track for a PhD) and then had gone straight into the workforce and stayed there.
