The worst problem was that the Scofield references were separate from and at the end of the bible. If I wanted to see what Scofield had to say about a particular scripture, I had to leave that scripture and scan to the end of the bible and then locate the scripture reference in Scofield section at the end.

New Testament. Edited by Cyrus Ingerson Scofield, the Scofield Reference Bible was published by the Oxford University Press and became known to many as a handbook of fundamental theology. The Scofield Reference Bible contains very brief commentary, often consisting of no more than a few sentences and several cross-references.

### **Overview - Scofield's Reference Notes - LiveAsIf.org**

That being said I just love this bible. It is a fantastic reference bible with great insights into each chapter of the bible. On the nook the notes follow each short section very handy. I don't however always agree with Scofield's conclusions. My first bible was a scofield bible so I may have a preference for it partly because of that.
