Because of his political associations with an earlier regime, the Athenian democracy put Socrates on trial, charging him with undermining state religion and corrupting young people. The speech he offered in his own defense, as reported in Plato's *Απολογία* (), provides us with many reminders of the central features of Socrates's approach to philosophy and its relation to practical life.

CrossExamined.org is an evangelical, inter-denominational Christian ministry. We seek to present evidence that the Bible is true. We do not require others in the body of Christ with whom we partner to hold certain positions on many of the doctrinal or theological debates that take place within the church.

About Us - Cross Examined - Frank Turek

1.2. Living conditions in armies of the Napoleonic period. Historical sources indicate that 19th-century military recruits had to meet minimum health requirements to enter active service but were then exposed to systemic insults to health in the form of crowded living conditions, exposure to pollutants, restricted diets, and intense physical workloads (Larrey, 1812).

Mr. Frugalwoods and I realize we might seem a bit odd to those of you new to the philosophy of Early Retirement Extreme and Mustachianism or just starting out on your frugal finance journey. Curious how we live day to day? For starters, we're not total weirdos, I promise! Though we are kinda weird because the way in which we structure our lives is certainly not mainstream.
