### **The Resort Bentley Little**

Bentley Little, (and 'The Resort' in particular) is a favorite of mine. Little is one of those rare writers who can successfully metamorphose the far-fetched into the believable, the horrific into the satirical, and the ordinary into the exceptional.

"The Resort" is a typical Bentley Little book. It has regular people caught in a horrifying situation. There is dark humor, gore and some sick stuff, although I have to say "The Resort" was a bit milder than some of Mr. Little's other books.
