Some notable powered hops were made before the problem of powered flight was finally solved. In 1874 Félix du Temple built a steam-powered aeroplane which took off from a ramp with a sailor on board and remained airborne for a short distance. This has sometimes been claimed as the first powered flight in history but the claim is generally rejected because takeoff was gravity-assisted and ...

One of the highlights is the collection of documents and photographs tracing Wassermann Walker's life-long friendship with Trude Fleischmann, ranked among the most significant portrait-photographers of the 20th century. Not unlike Hanne Wassermann herself, Trude Fleischmann was forced to leave Vienna during the war, to relaunch her career on the North American continent.
