Enron—What Happened?: As 2002 began, energy Trader Enron Corp. found itself at the centre of one of corporate America's biggest scandals. In less than a year, Enron had gone from being considered one of the most innovative companies of the late 20th century to being deemed a byword for corruption and mismanagement.

I've written before on many occasions about how people love to create caricatures in their minds, apply a label to that caricature and then pretend it has something to do with reality.. The primary example is of course sex work; prohibitionists define sex workers as victims and then claim everyone who identifies as a sex worker is a victim whether she agrees with that assessment or not, and ...
