Chapter One . It all started one day earlier with a single silenced bullet out of nowhere. Thomas Hunter was walking down the same dimly lit alley he always took on his way home after locking up the small Java Hut on Colfax and Ninth, when a smack! punctuated the hum of distant traffic. Red brick dribbled from a one-inch hole two feet away from his face.

This is a list of science-fiction novels, novel series, and collections of linked short stories. It includes modern novels, as well as novels written before the term "science fiction" was in common use. This list includes novels not marketed as SF but still considered to be substantially science fiction in content by some critics, such as Nineteen Eighty Four.
