UN for All has four theme-based modules whose descriptions are given below: Core Module: A half-day face-to-face module that talks about the basic human rights principles, the power of language in the creation of an inclusive work environment and unconscious bias, and gives an introduction to the basic concepts regarding substance use, disabilities, sexual orientation and gender identity, and ...

The Four Learning Modules | UN For All

Preface. This introduction to R is derived from an original set of notes describing the S and S-PLUS environments written in 1990–2 by Bill Venables and David M. Smith when at the University of Adelaide. We have made a number of small changes to reflect differences between the R and S programs, and expanded some of the material.

An Introduction to R

1. Introduction. Interest in the topic of work-family conflict (WFC) has grown in recent decades as a result of increases in the number of dual-career couples and single-parent households, as well as the erosion of traditional, single earner families (Bellavia & Frone, 2005). WFC represents a form of interrole conflict in which role pressures from the work and family domains are incompatible in ...

Biographical research in education may be conceived in many different ways; however, typically the topic constitutes the study of a single life, focusing primarily upon an individual who in some way is affiliated with the professional field of education, broadly conceived (Garraty, 1957; Oates, 1986).

An Introduction to Biographical Research

Object-orientation is the main type of programming construct used by most programming languages these days. Foundations of Programming Fundamentals - the JavaScript tutorial - discusses the fundamentals of this contemporary programming methodology, as well an introduction to object-oriented concepts like objects and classes.

Alright everybody, welcome to the orientation for the memetics and infohazards division. Now this is a full week of training, and a long day so be sure to get some coffee or a donut, because we won't have time to go get food until lunch.

Memetics and Infohazards Division Orientation - SCP Foundation

Gay, lesbian, bisexual, transgender (GLBT) employees constitute one of the largest, but least studied minority groups in the workforce. Given the scarcity of an up to date systematic literature review on sexual orientation discrimination in the workplace since Croteau (1996) and Ward (2003),

this study aims to fill this gap through systematic literature review based on rigorous criteria.

Sexual Orientation Discrimination in the Workplace: A ...

Webinars All webinars sponsored by the National LGBT Health Education Center are available on-demand for viewing. Apart from the new Ribbon User Interface, no rx there are a few more 'menu concepts' that new users of Word 2007 (and Office 2007 in general) need to get their heads around. The one that is most obvious is the "Prepare Menu". You will find the prepare menu when you click on the Office 2007 orb, approved in the top left hand corner of the screen (basically what was the "File" menu ...

by Tom Nelligan Of all the applications of industrial ultrasonic testing, flaw detection is the oldest and the most common. Since the 1940s, the laws of physics that govern the propagation of sound waves through solid materials have been used to detect hidden cracks, voids, porosity, and other internal discontinuities in metals, composites, plastics, and ceramics.

What are communities of practice? Communities of practice are formed by people who engage in a process of collective learning in a shared domain of human endeavor: a tribe learning to survive, a band of artists seeking new forms of expression, a group of engineers working on similar problems, a clique of pupils defining their identity in the school, a network of surgeons exploring novel ...

Western philosophy - Contemporary philosophy: Despite the tradition of philosophical professionalism established during the Enlightenment by Wolff and Kant, philosophy in the 19th century was still created largely outside the universities. Comte, Mill, Marx, Kierkegaard, and Schopenhauer were not professors, and only the German idealist school was rooted in academic life.

Western philosophy - Contemporary philosophy | Britannica.com

The French revolution can be called the Ur-Katastrophe of the West, from there, the rot began spread and the institutions that held the fabric of the West started to rot (family, religion...). Whether you like it or not the French monarchy was not perfect but by no means was the source of all the problems of France even at that time, as even you in your post can accept that Louis XVI
