American Releases. August 8th, 1966 was the official release of "Eleanor Rigby" in the US in two forms - as a single and on an album. In Britain, this song and "Yellow Submarine" were paired together and was promoted as yet another double A-side, following the pattern set by the "We Can Work It Out/Day Tripper" single the previous December.

Inside the Story. I went through three outlines for this book before I found a plot and premise that I felt worked. The story required Anthony's father to have died about ten years before the book began, but in *The Duke and I*, which was completely edited (but not yet published), his father had died two years earlier. While doing the final proofread of *The Duke and I*, I had to go back and make ...
