The Power Of Coincidence How

Question: "What does the Bible say about coincidence? Are there such things as coincidences?"

Answer: The word coincidence is used only once in the New Testament, and it was by Jesus Himself in the parable of the Good Samaritan. In Luke 10:31, Jesus said, "And by a coincidence a certain priest was going down in that way, and having seen him, he passed over on the opposite side."

What does the Bible say about coincidence?

Squire Rushnell is a New York Times best-selling author whose multiple God Winks book title have sold more than one million copies. Introduction. A mathematical coincidence often involves an integer, and the surprising feature is the fact that a real number arising in some context is considered by some standard as a "close" approximation to a small integer or to a multiple or power of ten, or more generally, to a rational number with a small denominator. Other kinds of mathematical coincidences, such as integers ...

Further, is it just coincidence that Babylon was the first major city to be established simply because the location was on the 33rd Degree Parallel? Remember the demonic belief in the importance of staging major events on or near the 33rd Degree Parallel: If a life is taken close to the northern 33rd Parallel, this fits with the Mason's demonic mythology in which they demonstrate their worldly ...

HM Submarine X1 was conceived and designed as a submersible commerce raider for the Royal Navy; at the time of her launching she was the largest submarine in the world. For Britain, the idea of a submarine cruiser had been proposed as early as 1915, but the type was not put into practice until 1921. X1, which was based on the uncompleted German U-173 class of 2,000-ton "U-cruisers", was laid ...
